### REMARKS

The courtesy of the telephone interview granted to Applicants' attorney by Examiner Price, the Examiner in charge of this application on October 7, 2005, is acknowledged with thanks and appreciation. At the interview it was agreed that Applicants election of species as set forth in the Supplemental Response to Office Action filed June 30, 2005, was proper but that Applicants had not identified all of the claims on which elected species read. As agreed at the interview, the elected species read on claims 45, 46, 56, 58, 59, and 61-63.

An action on the merits of the elected species is respectfully requested.

Respectfully submitted,

Matthew Denesuk and Eugenie V. Uhlmann
